

# Libertarian Party of Indiana

## Quick Guide

### **District State Central Committee Member Appointment Process**

District State Central Committee Members represent the LPIN membership for the State Party. Their duty is oversight, party growth, and reporting information on the State Party's activities to the county chairs and membership in their district.

The LPIN bylaws explain their appointment:

Article 5, Section 6. District Members of the State Central Committee.

a. Election. District Members on the State Central Committee shall be elected by majority vote of District Committees of the LPIN for a term of one (1) year.

b. District Committees. District Committees are established within each U.S. Congressional district in the state of Indiana for the purpose of electing District Members to the State Central Committee. Each District Committee shall be composed of all Chairpersons of County Organizations which each have representation within that U.S. Congressional district by the plurality of the county's voters. County Chairpersons may vote on only one District Committee, determined according to the Congressional district in which the plurality of voters in a county live. Each District Committee will be chaired by the Chairperson of the County Organization from the county within said district with the largest number of Members of the LPIN, who shall be responsible to call all meetings. Each District Committee shall meet at least one time each year, within sixty (60) days prior to the State Convention, to elect its District Member on the State Central Committee. A quorum at any District Committee meeting shall consist of a majority of voting members of the District Committee. The District Member shall be a member of the LPIN and shall reside within the particular U.S. Congressional District. The District Member may be a County Chairperson, but it is not required.

c. Appointment of Chairperson. In the event that the District Committee does not elect a District Member for the State Central Committee prior to the Annual Business Meeting, the Chairperson of the LPIN following the end of the Annual Business Meeting will appoint the District Member to fill the term on the State Central Committee. The District Member shall be a member of the LPIN and shall reside within the particular U.S. Congressional District. The District Member may be a County Chairperson, but it is not required.
